

Overall Index: Wider Criteria View

The table below represents the index-wise ranking of the cities based on their overall performance. Aggregate criteria and respective performance of cities are shown on the X-axis, while the Y-axis comprises the names of Municipal Corporations. Blue represents the 'Accessibility' criterion, Green for 'Services', and Yellow for the 'Transparency' criterion.

Best performing municipal corporation: Pune has secured the first position with a score of 8.22, while Kolhapur has secured the second position with a score of 8.02.
