Subject: Awareness and collection campaign of E-waste in Amravati city.

Respected Sir,

I would like to introduce my company Suritex Pvt. Ltd. Which is an electronic waste recycler authorized by Maharashtra Pollution Control Board (MPCB) since 2013. We have been granted the permission for recycling of hazardous e-waste. Our recycling plant is situated at MIDC Butibori.

There is lack of awareness regarding E-waste recycling among the citizens of Amravati. We would therefore like to conduct an awareness campaign with AMC via IEC (vehicle announcements) pamphlets and social media platform throughout Amravati city.

This campaign is targeted for a specific area for a specific timeline. If we achieve the desired outcome we would then like to conduct the awareness drive for further months in different areas of Amravati City.

We would request you to kindly support us in this campaign.

Thanks and Warm regards,
Mahima Suri,
